Shatrughn Vishwakarma

◎ Airoli, India   ✉ shatrughn004@gmail.com   ⊕ https://shatrughn-vishwakarma.github.io/

Summary

Experienced front-end developer with a robust track record spanning over six years. Proficient in HTML, CSS, Bootstrap, Angular, jQuery and JavaScript. Renowned for optimizing front-end performance, providing design recommendations, and fostering clear communication. As an Angular architect, prioritizes maintainability and modularity, collaborating with back-end developers to shape single-page applications. Embraces Test-Driven Development, ensuring software reliability through QA automation testing. Excels in collaboration with mobile app developers and implements design best practices.

Experience

Sr. Frontend Engineer • Beaminnovate Pvt. Ltd.   **Sep 2017 - Present**

Experience: Over six years of dedicated software development with expertise in front-end technologies.

Optimization Expertise: Proficient in front-end optimization and performance techniques, ensuring a seamless user experience.

Design Leadership: Proactively provides design recommendations for new and existing code, contributing to the overall efficiency of development processes.

Communication Excellence: Acts as a liaison between team members and clients, emphasizing clear and effective communication for smooth collaboration.

Angular Proficiency: Develops and administers Angular-based websites, emphasizing code integrity, modularity, and adherence to established development guidelines.

Collaborative Development: Collaborates closely with back-end developers to construct RESTful APIs, playing a pivotal role in shaping single-page applications for enhanced maintainability.

Testing Advocacy: Embraces Test-Driven Development principles, utilizing a robust QA automation test suite to conduct thorough unit and integration tests, ensuring software reliability.

Mobile Integration: Engages collaboratively with mobile app developers to seamlessly integrate native features, ensuring a cohesive and unified user experience.

Design Integration: Works closely with UI/UX designers to implement best practices, employing extensive knowledge of CSS and JS methods to enhance visual effects and overall application performance.

Workflow Coordination: Effectively coordinates workflow among end users, product owners, and developers, contributing to improved business process flows.

Leadership Role: Leads and guides team members, assigns work, and reviews contributions to maintain a high-performance development team.

Quality Assurance Collaboration: Collaborates with the QA team to define test cases and metrics, addressing any questions or concerns about test results, ensuring product quality.

Documentation Excellence: Develops comprehensive technical documentation, defining system components, development environments, and implementation strategies for transparent project understanding.

Technological Proficiency: Maintains applications using cutting-edge technologies such as JQuery, HTML5, JavaScript, Angular, and Bootstrap.

Continuous Improvement: Actively identifies and recommends improvements to business process flows, communicating problem-solving processes to project management for enhanced project efficiency.
Education

Education

Bachelor of Computer Application • Swami Vivekanand Subharti University Meerut Uttar Pradesh   **Jul 2012 - Jun 2015**

Information Technology

Projects

E-Commerce Application   **May 2018 - Jun 2018**

Beaminnovate Pvt. Ltd.

Developed a fully functional and visually appealing frontend for an e-commerce project using HTML, CSS, and Angular 12.

Created a user-friendly interface with intuitive navigation for an enhanced shopping experience.

Implemented responsive design principles for optimal display across different devices and screen sizes.
Collaborated with a team of designers and developers to translate design mockups into code.

Conducted thorough testing and debugging to ensure a bug-free and user-friendly frontend.

Successfully integrated backend functionalities with the frontend for seamless data flow.

Achievements and Awards

Angular Prowess   **Dec 2023**

Beaminnovate Pvt. Ltd.

Developed and administered Angular-based websites, emphasizing maintainability, modularity, and strict adherence to established application development guidelines.

Collaborative Development Impact   Dec 2023

Beaminnovate Pvt. Ltd.

Collaborated closely with back-end developers, playing an active role in structuring RESTful APIs and contributing to the construction of single-page applications for improved maintainability.

Communication Leadership   Dec 2023

Beaminnovate Pvt. Ltd.

Functioned as a key liaison between team members and clients, ensuring clear and effective communication, fostering collaborative and productive working relationships.

Design Contribution   Dec 2023

Beaminnovate Pvt. Ltd.

Proactively provided valuable design recommendations for new code development and effectively leveraged existing code, contributing to enhanced development efficiency.

Front-End Excellence   Dec 2023

Beaminnovate Pvt. Ltd.

Spearheaded front-end development initiatives for over five years, showcasing expertise in HTML, CSS, Bootstrap, Angular, jQuery and JavaScript.

Leadership Role   Dec 2023

Beaminnovate Pvt. Ltd.

Assumed a leadership role, guiding team members, assigning work, and reviewing contributions to maintain a high-performance development team.

Performance Optimization Mastery   Dec 2023

Beaminnovate Pvt. Ltd.

Applied in-depth knowledge of front-end optimization techniques, consistently delivering seamless functionality and elevating user experiences across projects.

Testing Advocacy   Dec 2023

Beaminnovate Pvt. Ltd.

Embraced and implemented Test-Driven Development principles, utilizing a comprehensive QA automation test suite to conduct thorough unit and integration tests, ensuring software reliability.

Workflow Coordination   Dec 2023

Beaminnovate Pvt. Ltd.

Effectively coordinated workflows among end users, product owners, and developers, contributing to improved business process flows and project efficiency.
